

## **MISGA 2009 State Two-Man Team Championship**

Prospect Bay CC – August 24,2009 in Grasonville, Maryland

An excellent show was put together and implemented by the Host Club Rep, Bert Bigelow and Div. 3 Tour Chair, Ralph Starkey with input from Division Directors David Cook and Malcolm Peterson and aid from a host of volunteers. The lunch and dinner were of excellent quality and served with the style one would expect from the eastern shore. Both State Tournaments served crab cakes as one entrée – so those of us who attended both, can give an opinion as to which is best. That issue will not be covered. The food, beverages, Chefs and wait staff provided a truly outstanding day for those attending. The golf course played well even though a bit of precipitation had fallen over the weekend. A small challenge to the ground super. Mike Norton, Golf Pro Did the scoring and helped announce the winners. A big Thank You.

The Net Winners with a home club advantage were Bob Gerhold and Jim Mice posting a 58 on their home course. The Runner-Ups were Steve Carter and Ken Mugford from Walden posting a 60. A new award for Low Gross, and for this year named “The Bert Bigelow Trophy”, went to Michael S. Gorski and R. AArne Tiikkala for a score of 70. Hearty congratulations to you and all the other winning teams.

Thanks again to our Host Club, Prospect Bay, for hosting a well constructed tournament. MISGA extends warm praise to all of you.
